	according to Unified State Exam	July 25th	July 25th
for a fee		August 20th	August 20th

приоритет 2030⁺
лидерами становятся

Takes 2nd place in the rank of agricultural universities in the Russian Federation

**VAVILOV UNIVERSITY IS AN AGRIBUSINESS
EDUCATION OF THE FUTURE!**

Bachelor and specialty degree

**RECEIVING A SECOND DIPLOMA
IN IT SPECIALTY**

Admission Board

Address: Saratov, Peter Stolypin prospect,
building 4, block 3, room. 138

www.vavilovsar.ru pk@vavilovsar.ru

8 (8452) 26-50-78

Vavilov University is:

- IT professional certificate
- effective internship
- updated laboratories
- increased scholarships
- foreign exchange programs
- distant access to e-libraries
- e-learning system
- engineering center
- agro startups
- discussion clubs ("boiling points")
- research and development

University Information

Programs

- Secondary vocational education.
- Higher education (Bachelor degree, Master degree, Specialist degree, post-graduate degree, extended courses).

UNIVERSITY STARTS YOUR CAREER!

- Student hostel guarantee
- High quality affordable food
- A range of social support services

40 training centers and labs created in collaboration with the world leading partner enterprises in 2020 -2023

Bryanskselemash, Rosagroleasing, TDM – electric, Russki Svet, Rosseti Volga, Petersburg Tractor Plant, Agrosoyuzmarket, World Technics, Vesna -farm, Veterinary Control Office by the Saratov Oblast Administration, Russian State Register, PhosAgro, Rostselmash, Liliiani, Minsk Tractor Plant, InfoBis and etc.

Acknowledgement

Participant of strategic academic leadership program "Priority 2030".
Participant of federal project "Professionalitet".
Second position in the annual University rating of Ministry of Agriculture in 2023.

Students represent :

40 countries
70 regions of Russia

University Educational platform VAVILOV is:

- Affordable and effective preparation for state exams at school
- High results
- Individual consultations
- Professional development and retraining programs
- Secure professional skills
- Space to grow best professionals in their field
